Subject: TLC Update

Hope all of you are staying cool in the summer heat! Due to the 100 + weather that is being predicted at the time of our Thursday August 3rd TLC meeting; we have decided to cancel our meeting to avoid bringing everyone out in the heat of the day. At this time there are no immediate decisions that need to be made.

To bring everyone up to date as to what has been happening since our last meeting; I will mention just a few:

- 1) First and of most importance; we have received our check from United Health Care and it has been placed into our account at North Cascade Bank for our use.
- 2) I hope everyone had a chance to read the "Mirror" newspaper article on our T.L.C. Program that appeared in the July 19th addition.
- 3) We are currently advertising for our coordinator in both the "Mirror" and the "The Wenatchee "World". It will run 3 weeks. They are also on their web page.
- 4) Check out the chelanvalleyseniorcare.com web page for forms to download if you are interested in becoming a volunteer or would like to apply for the coordinator position. Qualification and job description for both positions are listed.
- 4) Be thinking of some potential seniors that could use some help in keeping them safe in their own home.
- 5) Some application to potential TLC volunteers have already been sent out. After we receive at least five or six back we can start our orientation to our program.

Stay cool! will let you know when our next meeting will be.
